Report of Principal and School Improvement Council

During the 2013-2014 school year, Kershaw Elementary continued the BULLDOG tradition of “Building Upstanding Life-long Learners. Developing Optimistic Graduates”. We focused on school-wide initiatives, assessing student performance, analyzing data, evaluating instruction and effectively using technology and resources to enhance student achievement across all content areas. Numerous grants furnished additional materials and technology for classroom use. The 7 Habits of Happy Kids provided a common language for character education and life skills. Academic and behavioral successes were celebrated throughout the year. Family engagement and collaboration with the community remained a top priority.

Teachers, support staff and administrators met to review student work, analyze data, plan instruction, and to study the Common Core State Standards. Data from formative assessments provided the foundation for goal-setting for students and staff. We expanded the implementation of the 100 Book Challenge to include kindergarten, first, second and third grade. This increased our use of leveled texts and enhanced our ability to meet individual student needs. Students in grades kindergarten through five also participated in FastForWord to strengthen comprehension skills. The emphasis on math instruction increased through the implementation of the newly-adopted math series, targeted use of Classworks in the technology lab, Math Bees and small group instruction. Teachers and support staff worked with individuals and small groups of students to provide targeted assistance in both reading and math. Several web-based programs allowed students to have access, at home and school, to reading and math skills on their individual levels to support classroom instruction and learning. KES held the first science fair in a number of years and had several students recognized at the district level for their experiments. In addition, the afterschool program provided extended learning opportunities for numerous students.

Celebrations played a significant role in fostering good choices. Students were acknowledged daily for meeting goals and exhibiting the 7 Habits. In addition to classroom recognitions, honor roll events were held each six weeks and students received medals for reaching reading goals.

The encouragement of our families and the community continues to be crucial to our success. Parents showed support by signing reading logs daily, helping with homework, communicating with teachers and volunteering. Community members sponsored Backpack Buddies, provided vision screenings and donated funds for field trips as well.

Our school-wide theme, “United we stand. United we Learn”, served as the foundation for integrated activities that focused on significant Americans, history, government and geography. We are looking forward to another successful BULLDOG year focused on fostering communication, collaboration and critical thinking.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	70.1
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Kershaw Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
